ECUMENICAL PRAYER

Give us open minds, O Lord, minds ready to receive and to welcome new light of knowledge as may be revealed to us.

Let not the past ever be so dear to us as to set limits to the future. Give us courage to change our minds, when that is needed. Let us be tolerant to the thoughts of others and receptive to such awareness as may come to us through them. May we be human channels through which love and compassion may reach the hearts and lives of those nearest to us.

Amen

Organist: Mr. Don Winget, Jr.
(Organ supplied by Mr. Don Winget, Jr.)

Ushers: Student Senate Members
