ECUMENICAL PRAYER

Give us open minds, O Lord, minds ready to receive and to welcome new light of knowledge as may be revealed to us. Let not the past ever be so dear to us as to set limits to the future. Give us courage to change our minds, when that is needed. Let us be tolerant to the thoughts of others and receptive to such awareness as may come to us through them. May we be human channels through which love and compassion may reach the hearts and lives of those nearest to us.

Amen

Graduated from Zanesville High School in 1924; earned a B. Sc. in Ed, Bliss College, 1928; and Master of Education, University of Cincinnati, 1939.

Began teaching career as business teacher at Steubenville, Ohio, which was continued in Cincinnati at Withrow High School after 1937. Entered guidance counseling in 1946 and headed veterans training programs for the school system prior to 1951. From 1951 to 1953, developed programs and curricula for new Central High School then under construction at Ludlow and Central Parkway.

Since 1973, has served as coordinator of Plant Operations for the school district.
