Werner E. Donath, M.D.
Chairman

Oscar L. Britton

Alice P. Bruckmann

Ruth McCalla Edwards

Rev. Jerome A. Schaeper

Mamie Earl Sells

Wayne F. Wilke

ECUMENICAL PRAYER

Give us open minds, O Lord, minds ready to receive and to welcome new light of knowledge as may be revealed to us. Let not the past ever be so dear to us as to set limits to the future. Give us courage to change our minds, when that is needed. Let us be tolerant to the thoughts of others and receptive to such awareness as may come to us through them. May we be human channels through which love and compassion may reach the hearts and lives of those nearest to us.

Amen

THE GERTRUDE EDELMAN AWARD

The Gertrude Edelman Award for the outstanding graduate of the Medical Record Technician Program will be presented this afternoon for the fourth time. This award was established by the Board of Trustees of Cincinnati Technical College upon the death of Miss Edelman in 1974.

Gertrude Edelman was a nationally known and respected pioneer in the Medical Record field. She was one of the first Registered Medical Record Administrators in the nation and one of the founders of the American Medical Record Association.

During her lifetime, she helped to establish medical record departments in hospitals in Cincinnati, in Ohio and elsewhere in the nation. She worked to establish the Ohio Medical Record Association and served as its first president.

In 1970, she helped to establish the Medical Record Technician Program at Cincinnati Technical College. She served this program as thoughtful advisor, dedicated instructor and energetic coordinator.

The Medical Record Technician Program was the first of its kind in Ohio to be approved by the American Medical Association in large measure because of her efforts.

The award is presented to that graduate of each Medical Record Technician class who best exemplifies Gertrude Edelman's selfless dedication to the Medical Record field.
