ECUMENICAL PRAYER

Give us open minds, O Lord, minds ready to receive and to welcome new light of knowledge as may be revealed to us. Let not the past ever be so dear to us as to set limits to the future. Give us courage to change our minds, when that is needed. Let us be tolerant to the thoughts of others and receptive to such awareness as may come to us through them. May we be human channels through which love and compassion may reach the hearts and lives of those nearest to us.

Amen.

Music recorded by Rodney Rupp.

A special "thank you" to the student honor escorts and ushers, the faculty and staff and the 1985 Commencement Committee.

*You are cordially invited to a reception honoring the Graduates
in the Ballroom immediately following the exercises.*

Charles W. Vaughan

President and General Manager, WCET/Channel 48

Few individuals have been more involved in the development and advancement of public television in the United States than Charles W. Vaughan. Beginning his career in public television only two years after WCET-TV 48, the first licensed non-commercial television station, signed on the air in 1954, Mr. Vaughan has gone on to become involved in almost every facet of public television production, fund raising and administration.

In 1956, he began his career in administration as program director and assistant manager of WCET. Here he participated in the production of over one hundred different programs for the infant National Education Television System. (NET).

Mr. Vaughan assumed the title of program associate, science, for National Education Television in New York in 1960. He was responsible for more than 52 one-half hour programs yearly for national distribution, including eleven "Exploring the Universe" which featured Dave Garroway.

In 1965, Mr. Vaughan returned to Cincinnati to become director of communication arts at Xavier University and director of development at WCET. He was appointed president of WCET in 1967.

Mr. Vaughan's contribution to public television is not only characterized by his leadership of local stations but also by his extensive career in state, regional and national public television organizations. He currently serves as a member of the board of the National Association of Public TV Stations and the Ohio Educational Broadcasting Commission.

Mr. Vaughan has received many honors during his career. Among them are the Corporation for Public Broadcasting Development Award, a certificate of appreciation from the Overseas Press Club and the Alfred P. Sloan Award.
