## **America The Beautiful**

**O beautiful for spacious skies/For amber waves of grain.  
For purple mountain majesties/Above the fruited plain.  
America! America! God shed His grace on thee,  
and crown thy good with brotherhood from sea to shining sea.**

**O beautiful for patriot dream/That sees beyond the years.  
Thine alabaster cities gleam/undimmed by human tears.  
America! America! God shed His grace on thee,  
and crown thy good with brotherhood from sea to shining sea.**

**A special "thank you" to the student honor escorts and ushers,  
the faculty and staff, and the 1997 Commencement Committee.**

## Academic Dress

From the costumes worn in the academic procession one can tell the level of degree (associate's, bachelor's, master's, doctor's) the wearer has earned, the field of learning, and the institution that granted the degree. The costume consists of cap, gown and hood.

The usual cap is a square black mortarboard with a black tassel; the doctor's cap has a gold tassel. The gown is also normally black. Associate's, bachelor's and master's gowns are relatively plain and closed in front; the doctor's gown is cut fuller, is open in front, and has velvet panels down the front and has three velvet bars on the sleeves. The panels and bars are usually black.

The hood, patterned after the medieval monk's hood, goes over the shoulders and hangs down in back. The hoods for the three degrees vary in length from the bachelor's the shortest, to the doctor's the longest. The velvet border shows by its color the field of learning; the most common are: white - arts, letters, humanities (usually seen in honorary doctor's degrees); dark blue - philosophy (the most common in doctor's hoods); purple - law; scarlet - theology; green - medicine; golden yellow - science. The same colors may be used in the panels and bars of the gown. The most distinctive part of the costume is the silk lining of the hood which bears the official colors of the institution granting the degree.
