

Cincinnati State
Technical and Community College

Commencement Exercises

Friday, June 23, 2006

7:00 p.m.

US Bank Arena

America The Beautiful

O beautiful for spacious skies/For amber waves of grain.
For purple mountain majesties/Above the fruited plain.
America! America! God shed His grace on thee,
and crown thy good with brotherhood from sea to shining sea.

O beautiful for patriot dream/That sees beyond the years.
Thine alabaster cities gleam/undimmed by human tears.
America! America! God shed His grace on thee,
and crown thy good with brotherhood from sea to shining sea.

Music provided by Polished Brass.

Commencement Program

Graduation Honors

Cum Laude 3.50 - 3.79 (Red honor cords)

Magna Cum Laude 3.80 - 3.89 (Silver honor cords)

Summa Cum Laude 3.90 - 4.00 (Gold honor cords)

Graduates of the Honors Experience wear green honor cords.

House/Bruckmann Faculty Excellence Award Winners

Linda Hollstegge and Catherine Rahmes

Linda Hollstegge joined the College faculty in 1979. She is an instructor in electronics in the Engineering Technologies Division. She has taught or developed all courses in the analog sequence, ranging from the pre-tech electronics course to the final capstone project class. She also teaches electronics to non-electrical majors.

Ms. Hollstegge is a member of the Academic Policy and Curriculum Committee and was active in the application for and successful completion of ABET accreditation for engineering technologies programs. She has volunteered with the Science Olympiad, has been involved in the College's AQIP accreditation process, and developed an articulation with LaSalle High School.

Ms. Hollstegge is a graduate of Cincinnati State and the University of Cincinnati.

Catherine Rahmes has been a Cincinnati State faculty member for 29 years. She began as a writing instructor and was a co-founder of the College's Writing Center, creating many of the materials used in the Center. Almost every Cincinnati State student uses the services and resources of the Writing Center.

For 13 years Ms. Rahmes served as assistant dean and dean of the Humanities and Sciences Divisions. She led the divisions during the College's transition from a technical college to a comprehensive community college, a change that greatly expanded the offerings in Humanities and Sciences. She spearheaded the development of the Associate of Arts and Associate of Science university transfer degrees.

Ms. Rahmes earned degrees from Miami University.

2006 Distinguished Alumnus Thomas C. Luebbe '78

Thomas C. Luebbe '78 entered Cincinnati State in 1976 fresh out of high school. He majored in Mechanical Design Technology and began co-oping at Alexander & Associates. Thirty years later, Mr. Luebbe is one of the owners of the company.

Mr. Luebbe helped grow Alexander & Associates from 25 employees to 150. He has made sure Cincinnati State "continues to play a big part in our company at all levels, from co-op to upper management."

He has maintained close ties to the College. He served on the Cincinnati State Alumni Association Board of Directors. He is a current member of the College's Golf Classic Steering Committee, which last year raised over \$75,000 for student scholarships. His wife Sally is also active on the committee, serving as volunteer coordinator for the Classic. Mr. Luebbe is a regular donor to the Cincinnati State Annual Scholarship Fund.

Mr. Luebbe has volunteered as a coach for knothole baseball, softball, soccer and Little League. He also volunteers with the American Heart Association and has worked on several fundraisers for his church.

Academic Dress

From the costumes worn in the academic procession one can tell the level of degree (associate's, bachelor's, master's, doctor's) the wearer has earned, the field of learning, and the institution that granted the degree. The costume consists of cap, gown and hood.

The usual cap is a square black mortarboard with a black tassel; the doctor's cap has a gold tassel. The gown is also normally black. Associate's, bachelor's and master's gowns are relatively plain and closed in front; the doctor's gown is cut fuller, is open in front, has velvet panels down the front, and has three velvet bars on the sleeves. The panels and bars are usually black.

The hood, patterned after the medieval monk's hood, goes over the shoulders and hangs down in back. The hoods for the three degrees vary in length from the bachelor's the shortest, to the doctor's the longest. The velvet border shows by its color the field of learning; the most common are: white - arts, letters, humanities (usually seen in honorary doctor's degrees); dark blue - philosophy (the most common in doctor's hoods); purple - law; scarlet - theology; green - medicine; golden yellow - science. The same colors may be used in the panels and bars of the gown. The most distinctive part of the costume is the silk lining of the hood which bears the official colors of the institution granting the degree.
